FUTURE GOALS AS A BUSINESS CONSULTANT IN UNITED ARAB EMIRATES & DUBAI

- Encouragement of Afghan businessmen to invest in United Arab Emirates especially in Dubai. There are many businessmen and investors in Afghanistan who want to expand their business and investment outside of Afghanistan, but they do not understand the ways to expand it. As a consultant, we will try our best to encourage and explain the ease and ways of starting their business in United Arab Emirates especially in Dubai. For them, we introduce the ways of investment and business in Dubai and give information about the advantages and facilities of investing in United Arab Emirates especially in Dubai.

- Facilitation of obtaining a business visa starting a company in United Arab Emirates especially in Dubai. Many businessmen and investors face problems in obtaining United Arab Emirates especially Dubai business visa and residence. We try to find solutions for them and speed up the process by holding meetings with relevant authorities, business and investors about their problems and solutions.

- Introducing investment and business options and facilities in United Arab Emirates especially in Dubai for the esteemed investors of Afghanistan. We will held conferences and meeting to encourage them to invest in United Arab Emirates especially in Dubai and explain the advantage and facilities of investing in United Arab Emirates especially in Dubai and also for the esteemed investors of United Arab Emirates especially Dubai, we share the ways and ease of investment available in Afghanistan and encourage them to invest in best ways in Afghanistan.

- Establishing effective communication between Afghan and United Arab Emirates especially Dubai investors. Our efforts to establish useful relations between investors in Afghanistan and United Arab Emirates especially Dubai through holding exhibitions and conferences.
- Holding exhibitions for the introduction and marketing of Afghan products in United Arab Emirates especially Dubai for the promotion and marketing of their products in United Arab Emirates especially Dubai and vice versa.

- Trying to solve the business problems of Afghans in United Arab Emirates especially in Dubai. Resolving conflicts and problems of Afghan businessmen in United Arab Emirates especially Dubai and vice versa.
- Our vision as a business consultant will be to create ease and comfort for Afghan businessmen and investors, and to establish communication and confidence between Afghan and United Arab Emirates investors.

- Encouragement Afghan traders for export and import from United Arab Emirates especially Dubai and vice versa. Afghanistan is an agricultural and industrial country, the quality of its fresh and dried fruits is the talk of the world, and Afghan handicrafts have the best quality in the world. We will encourage them and facilitate for them to export their products and also introduce Dubai products to them and encourage them for importing.
- We will do our best to improve the trade relations between the both countries.

THANK YOU

BEST REGARDS
